[25-0901](#)**Attachments:** [Budget Ad](#)[Proposed Budget & Millage Rates](#)

County Administrator John Titkanich announced the Final Budget Hearing for Fiscal Year (FY) 2025-2026. He provided an overview of the FY 2024-2025 budget, starting with last year's budget at the beginning of this process and then presenting the proposed budget for the upcoming year. Last year, the budget started at \$524,719,875. There were amendments related to the capital improvements plan, among other items. The proposed budget for the upcoming Fiscal Year is \$598,860,844, reflecting an increase of \$74,140,969 from the previous year.

Administrator Titkanich highlighted some significant impacts on the budget. Key points included an 8.8% rise in the Countywide Tax Roll and an 8.7% increase in the unincorporated areas. He also recommended a \$6,861,517 million increase in the Sheriff's funding, which was a reduction from his initial request of \$14.6 million and a revised request of \$12.2 million. He stated the Sheriff's total budget amount is \$85,773,472.

Administrator Titkanich continued, stating that each year the Florida legislature sets the County's retirement rates. This year, the increase in retirement rates is \$3,961,331 million which included Constitutional Officers. Additionally, Workers' Compensation expenses rose by \$1,072,121, also including Constitutional Officers. The budget included an increase of 20 full-time positions and an addition of 1.25 full-time Constitutional Officers, resulting in a total increase of 21.25 full-time positions.

Chairman Flescher opened the public hearing.

Jill Collins, President, Humane Society Board of Directors, expressed concern over a newspaper article that referred to the "Humane Society's Allocation" in the County's budget. She interpreted the term "allocation" as a gift and worried that people might perceive the Humane Society as a small charity. In reality, the Humane Society has provided numerous essential services to the County. Although she was uncertain about the exact reduction in their budget, she highlighted the number of animals the Humane Society received from Animal Control, the public, and surrenders. Ms. Collinson felt that when the County discussed an allocation, it minimized the important work done by the Humane Society and its valuable services to the County.

There being no further speakers, the Chairman closed the hearing.

There were no proposed amendments to the budget.

A motion was made by Commissioner Earman, seconded by Chairman Flescher, to approve the millage rate of 3.5475 for the General Fund, 6.69% above the rolled back rate of 3.3250, and to approve Resolution 2025-045, establishing the tax millage rate to be levied upon all real and personal taxable property in Indian River County, Florida, for Fiscal Year 2025-2026 for the General Fund.
